Report to Members of Laneshaw Bridge Parish Council
Regarding Annual Internal Audit Report 2022/23

I confirm that I have been appointed by the Parish Council and shall carry out the work in relation to internal controls required by the Council in accordance with proper practices.

I confirm that I:

- am competent and independent of the financial operations of the Council;
- will report to Council in writing after the end of the financial year;
- will demonstrate competence, objectivity and independence, and be free from any actual or perceived conflicts of interest, including those arising from family relationships;
- have no involvement in the financial decision making, management or control of the Council;
- and
- have not performed any operational duties for the Council, have not initiated or approved accounting transactions, nor directed the activities of any Council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

During the financial year ended 31 March 2023, I have acted independently and, on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority. The internal audit for 2022/23 has been carried out in accordance with this authority's needs and planned coverage for the objectives of internal control. Conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this authority are summarised in the Annual Internal Audit Report table.

Explanations for responses marked as 'no', including the implications and action taken or being taken to address any weakness in control identified:

The newly appointed Clerk struggled to take over the existing records of the Council and she was not able to supply regular reports to meetings. This was compounded by a long period of sickness, towards the end of which she resigned. It transpired that the accounting records were not up to date and various payments were not supported by relevant paperwork, even though they were to regular suppliers. It was clear that, during this period of approximately five months, the audit trail was lacking, bank reconciliations had not been done, the cash book was incomplete and there had been no monitoring against the Council's budget.

A new and experienced locum Clerk was appointed in October and the accounting records, including cash book, bank reconciliations and budget monitoring, were fully brought up to date within two months. Any early transactions without supporting invoices were assessed as being not material overall and reasonable judgements have been applied in posting them to the account codes for the

year-end accounts. Adequate audit trails are now maintained and the evidence and documentation for each transaction is obtained and retained.

Explanations for the responses marked as 'not covered':

- F - Petty Cash is not applicable as the authority does not hold any and this will not change
- K - Authority did not certify itself as exempt from a limited assurance review in 2021/22
